If you want to have an amazing relationship, you have to know what it takes to make it last. Remember the 5 to 1 Ratio One of the oldest sexist cliches about women in relationships is that they will remember every single slight, mistake and argument, packing them away like a passive-aggressive squirrel burying hate-nuts for the winter··· and pull them out at the worst possible moment during a fight.

If you want to have great hair, avoid washing it every day, as daily baths and showers can strip your hair of its natural oils. When you do wash, use a sulfate-free shampoo to prevent frizz and try to keep your bathwater as cool as possible to lock in moisture. Additionally, blow dry your hair on a cool setting because heat will damage your hair.
