Sample test questions are
small subsets of test
questions released from the
STAAR test banks. These test
questions may have been
previously administered. A
test form is a set of
released test questions
previously administered
together to Texas students
which reflects the STAAR
test blueprints.

At the end of grades 3 through 5, students are assessed in reading and mathematics, with an additional test in writing at the end of grade 4 and science at the end of grade 5. Grades 6 through 8 follow largely the same testing pattern, with reading and math tests every year, adding writing in grade 7, and science and social studies in grade 8.
