~~AppleDesign [BOOK] – Macintosh Garden~~  
Visually stunning and filled with fascinating backstories on the design of many of Apple's most popular products from the 80s and 90s. An absolute must for any longtime Apple fan, but it only gets four stars from me since it fits more into the "coffee table" book category (you enjoy looking through it once) than in the "reading" book category (things you read again and again).
