Charles completed his next novel, *The Fountain* (1932).

Biography - Charles Morgan

Charles Langbridge Morgan was a British playwright and novelist of English and Welsh parentage. The main themes of his work were, as he himself put it, "Art, Love, and Death", and the relation between them. Themes of individual novels range from the paradoxes of freedom, through passionate love seen from within and without, to the conflict of good and evil and the enchanted boundary of death. He was the husband of Welsh novelist Hilda Vaughan.
