Explanation: . The roots or solutions of a quadratic equation are its factors set equal to zero and then solved for x. When roots are given and the quadratic equation is sought, write the roots with the correct sign to give you that root when it is set equal to zero and solved.

Write a Quadratic Equation When Given Its Solutions ...

The history of Brazil begins with indigenous people in Brazil.Europeans arrived in Brazil at the opening of the 16th century. The first European to claim sovereignty over Indigenous lands part of what is now the territory of the Federative Republic of Brazil on the continent of South America was Pedro Álvares Cabral (c. 1467/1468 – c. 1520) on April 22, 1500 under the sponsorship of the ...

History of Brazil - Wikipedia

An elevator (North American English) or lift (Commonwealth English) is a type of cable-assisted, roller-track assisted, or hydraulic cylinder-assisted machine that vertically transports people or freight between floors, levels, or decks of a building, vessel, or other structure. They are typically powered by electric motors that drive traction cables and counterweight systems such as a hoist ...

Elevator - Wikipedia

When the reactant is altered, but the initial reaction rate is kept constant, as seen in trials 1 and 3 with respect to A, the order of that reactant is 0. Finally, when the reactant is multiplied by the same factor that the initial reaction rate is multiplied, as seen in trials 1 and 2 with respect to B, the order of the reactant is 1.
