Ever Crave the Rose by Morgan O'Neill is splendidly crafted, imaginative, and pure historical time travel story! The age-old conundrum about time travel affecting the future, or that it is impossible to change, is explored in this adventurous, suspenseful, and very smart story... I loved how much thought went into this novel.

Another epic masterpiece from two authors well versed in history. In Ever Crave the Rose, we're taken on a trip to Elizabethan England. The blending of old world and new was beautifully orchestrated. I loved learning historic terms in a way that was entertaining, not textbook. The way backstory was used to build tension was brilliant.

However, if we crave the rose, we have to keep plugging on, sometimes slipping backwards and sometimes finding a fragile hold that gives us the impetus to try to reach just a little bit higher and go a little bit further. Fascinating stuff, but sometimes those thorns are mighty sharp. Happy 200th Birthday, Anne.
