Also, once you name it as a system, it would be correct to refer to “the system” or “this system” using lowercase. In many cases, however, particularly in sales and marketing copy, key words are always capitalized. This is usually more a matter of style (choice) than grammar. I would either use the full name or an abbreviation (ALS). Reply

Consonance is when nearby words repeat the same consonant sounds. It is a common literary technique used by lyric writers and poets to draw in their readers. Consonance can also add rhythm and musicality to writing without being as obvious as alliteration. It is less common in prose (especially business writing) than in poetry, but it can be useful for emphasis or for making a message more ...

The first man to be killed on the railways was a member of parliament, William Huskisson. He was knocked down by the Rocket at the opening of the Manchester to Liverpool Railway in 1830. Stephenson's early locomotives had no brakes and had to be stopped by disconnecting the engine and the gears. In 1825 40,000 people came to watch the first journey of 'Locomotion No 1'.

English Grammar in Use was written as a self-study grammar book but teachers may also find it useful as additional course material in cases where further work on grammar is necessary. The book will probably be most useful at middle- and upper-intermediate levels (where all or nearly all of the material will be relevant), and can serve both as a ...
