The Kashmir problem. As long as the territory 's existence was guaranteed by the United Kingdom, the weaknesses in its structure and along its peripheries were not of great consequence, but they became apparent after the British withdrawal from South Asia in 1947. By the terms agreed to by India and Pakistan for the partition of the Indian subcontinent, the rulers of princely states were given the right to opt for either Pakistan or India or—with certain reservations—to remain independent.
