Kitchen Table Wisdom: Stories that Heal, 10th Anniversary—

Rachel Naomi Remen fittingly dedicated her extraordinary book “Kitchen Table Wisdom” to “everyone who has never told their story.” Remen, a physician and counselor, says stories “heal when they are more about who we are, not what we have done.

Kitchen Table Wisdom: Stories That Heal—Remen—Rachel—

Kitchen Table Wisdom shares a story called The Container which I first heard in the Primary Broadcast in January 2003 in a talk by Gayle M. Clegg. I would have read this book long ago if I had checked the source of the container story in her talk.

Kitchen Table Wisdom: Stories That Heal by Rachel Naomi Remen

Dr Remen, whose unique perspective on healing comes from her background as a physician, a professor of medicine, a therapist and a long-term survivor of chronic illness, invites us to listen from...

Kitchen Table Wisdom: Stories That Heal by Rachel Naomi—

"Everybody is a story," writes Dr. Remen in her introduction. "When I was a child, people sat around kitchen tables and told their stories. We don't do that so much anymore. Sitting around the table telling stories is not just a way of passing time. It is the way the wisdom gets passed along. The stuff that helps us to live a life worth remembering.

Kitchen Table Wisdom: Stories that Heal—Rachel Naomi—

Kitchen Table Wisdom Quotes Showing 1-30 of 71 "Before every session, I take a moment to remember my humanity. There is no experience that this man has that I cannot share with him, no fear that I cannot understand, no suffering that I cannot care about, because I too am human.

Kitchen Table Wisdom Quotes by Rachel Naomi Remen

The style of this collection is gentle, low-key and totally unapologetic for its journeys into the mystical and scientifically inexplicable elements of healing. Remen uses her insights as a wounded healer to demonstrate, through stories, the kaleidoscope of possibilities in human response to a failing body.

Riverhead Books, New York City, 1996, 378 pp., \$22.95. "It is actually difficult to edit life." With this comment, Rachel Naomi Remen makes it clear that in Kitchen Table Wisdom: Stories That Heal she is not attempting to compile an edited collection that logically reflects life. Her purpose is to make readers live the stories she tells, whether they cry, laugh, or simply nod their heads at the real-life suffering and triumph they have felt in their own experience.

Book Review—Kitchen Table Wisdom: Stories That Heal

Share. There are many spiritual lessons to be learned from Kitchen Table Wisdom. Rachel Naomi Remen, an M.D. widely known for her pioneering work with cancer patients and the doctors who treat them, writes: "The things we cannot measure may be the things that ultimately sustain our lives." Remen advises doctors to pay more attention to people's feelings and to make their own caring visible.

KITCHEN TABLE WISDOM+ Kirkus Reviews

Kitchen Table Wisdom offers folksy fare for healing the soul. When Rachel Naomi Remen was growing up as the daughter of socialists in New York, her religious training came from her Russian-born grandfather's stories. The Orthodox rabbi's teaching techniques were subtle.

Kitchen Table Wisdom offers folksy fare for healing the—

Without stories we lose important wisdom about who we are. There is indeed value in "kitchen table wisdom," as we pass stories along to each other. Remen invites us to take a seat at lifes kitchen table. This book is about a kitchen table that is surrounded by social workers, each telling a story about their life.

From the life stories—Arizona State University

Kitchen Table Kibitzing is a community series for those who wish to share a virtual kitchen table with other readers of Daily Kos who aren't throwing pies at one another.
