### LLC vs LLP vs S Corp: Everything You Need to Know

An S corp is an IRS tax classification that can be elected by either an LLC or a corporation; an S corp is not a business structure like an LLC. An LLC can file taxes under the "default LLC" classification, or it can elect the S corp classification (or the rarely used C corp classification).

### LLC vs S Corp - What is the Difference Between an LLC and ...

A limited liability company is a flexible incorporating option, but the option is not available to all businesses nor are the regulations the same in all states. Generally, the IRS considers LLCs to have "pass-through" status, which allows all profits and losses from the business to pass to the owners and be reported on their personal tax returns.

### LLC Vs. LLP Vs. S Corp Vs. C Corp | Legal Beagle

An LLC generally limits the owner's exposure to only the assets within the LLC. Is an S Corp or LLC better? That is a bit of a misguided question. An LLC is a legal entity only and must choose to pay tax either as an S Corp, C Corp, Partnership, or Sole Proprietorship.
