## 5 Best Manual Transmission Fluids - Nov. 2020 - BestReviews

Seven problems related to manual transmission have been reported for the 2006 Honda Civic. The most recently reported issues are listed below. Please also check out the statistics and reliability analysis of the 2006 Honda Civic based on all problems reported for the 2006 Civic.

Manual Transmission Problems of the 2006 Honda Civic  
Automatic and manual transmission will commonly require discrete fluids. Automatic transmission fluids are generally thinner and are commonly red or green in color. Manual transmission fluid or gear oil is thicker due to additives and different compounds necessary to lubricate the gearbox and different parts.
