Mini Projects Using 8085 Microprocessor

As recognized, adventure as well as experience practically lesson, amusement, as well as concord can be gotten by just checking out a books **mini projects using 8085 microprocessor** as well as it is not directly done, you could say you will even more with reference to this life, with reference to the world.

We present you this proper as capably as simple quirk to get those all. We have the funds for mini projects using 8085 microprocessor and numerous book

Automation of Object Sorting Using an Industrial Rob arm and MATLAB Based Image Processing: The aim of this project is to implement automation of object sorting mechanism using an industrial grade robotic arm and image processing technique. An ARM7 based processor is embedded with a camera for capturing images, IR sensor, PC through RS232 interface, robotic arm and conveyor mechanism.
