~~Neurolinguistic Programming (NLP):~~

~~Your Map to Happiness ...~~

Neuro-linguistic programming is based on
the idea of internal maps. Internal maps
are our personal representations of reality.

Download Ebook Neurolinguistic

We learn to navigate these maps through sensory experiences that determine our feelings and behaviors. They can be either auditory, visual, olfactory, gustatory, or kinesthetic.

Each of us creates unique internal “maps” of our external experience. NLP studies the way we construct our internal maps and the way we use language to communicate our maps to ourselves and others. By exploring how people who are excellent in their field construct and communicate their internal maps –
