Onan is one of the top selling generator brands in the United States. However, the brand has been picked up by Cummins. That's why you now see products listed as Cummins Onan or Cummins part number Onan. This means that you may have to search for the Onan part number in the Cummins inventory listed on a website. That's especially true for ...

~~Onan Generator Troubleshooting; 13 Tips For RV Generator~~

See the Parts Manual for parts identification numbers and required quantities and for exploded views of the genset subassemblies. Genuine Onan replacement parts are recommended for best results. When contacting Onan for parts, service or product information, be ready to provide the model number and the serial number, both of which appear on the genset nameplate. See Table 1-1 for the signifi ...
