Noam Chomsky Propaganda And Control Of The Public Mind ...

Social control of propaganda Democratic control of propaganda. Different sorts of polities, ranging from the democratic to the authoritarian, have attempted a variety of social controls over propaganda. In an ideal democracy, everyone would be free to make propaganda and free to oppose propaganda habitually through peaceful counterpropaganda. The democratic ideal assumes that, if a variety of propagandists are free to compete continuously and publicly, the ideas best for society will win out ...

Propaganda - Social control of propaganda | Britannica

Control This control is effected both through the use of propaganda and through the employment of mechanisms used to control the amount, type and detail of information we receive. In the 21st Century, this control is complicated by the digital age, which is having the effect of making information available to all, and of making everyone able to disseminate information.

Opinion | Trump is losing control of his own propaganda ...

Propaganda works by tapping into emotions through images, slogans, and selective use of information or control and censorship of the facts. This is especially true if propaganda is being utilized by a government that is controlling the media by censorship or one that owns and runs media outlets, as was the case in the former Soviet Union.
