## Quiet Leadership: Six Steps to Transforming Performance at ...

This was a learning book about six steps to transform performance at work by the so called "quiet leadership". Quiet leadership is more about listening to your staff and make them find solutions by helping them to structure their thinking. The book highlighted that instead of telling people what to do, quiet leadership is about making people think themselves and at the same time encourage them to make their own decisions.

Step 2 - Listen for potential

1. Listening for potential - this means listening generously with the certainty that the person speaking can and will solve their own dilemmas, because the answers are within them. It means listening for people's own insights, energy, possibilities, passion and future. Quiet
