Citizenship. The Rule of Law needs to be "democratised" if it is to survive the current assaults on it by populist governments and commentators. The institutions on which we depend to uphold the Rule of Law can only survive such assaults if ordinary people care enough about the principles and values that underpin the Rule of Law to be prepared to defend them.

Citizenship and The Rule of Law - Bingham Centre

The area of law this question is concerned with is ' judicial review ' . Judicial review is defined as the sovereign means by which the high court in this country exercises supervision over the performance of central and local government and other public authorities (Bridges et. al. 1995. p1).

The Citizen and the State - Law Teacher

Citizenship, relationship between an individual and a state to which the individual owes allegiance and in turn is entitled to its protection. Citizens have certain rights, duties, and responsibilities that are denied or only partially extended to noncitizens in the country. Learn more about citizenship.

citizenship | Definition, History, & Facts | Britannica

Under the nationality laws of Mexico, Colombia, and some other Latin American countries, nationals do not become citizens until they turn 18. Israeli law distinguishes nationality from citizenship. The nationality of an Arab citizen of Israel is "Arab", not Israeli, while the nationality of a Jewish citizen is "Jewish" not Israeli.

Nationality - Wikipedia

Citizenship is the status of a person recognized under the custom or law of a sovereign state or local jurisdiction as a member of or belonging to the state. Each state is free to determine the conditions under which it will recognize persons as its citizens, and the conditions under which that status will be withdrawn. Recognition by a state as a citizen generally carries with it recognition of civil, political, and social rights which are not afforded to non-citizens. In general, the basic rig
