Amazing Plastic's / Across the Pond / Hangout #54 The Silvering Screen Old Age

Now, as the Baby Boomer population hits retirement, there has been an explosion of films, including Away From Her, The Straight Story, The Barbarian Invasions, and About Schmidt, where aging is a central theme. The first-ever sustained discussion of old age in cinema, The Silvering Screen brings together theories from disability studies, critical gerontology, and cultural studies, to examine how the film industry has linked old age with physical and mental disability.

The Silvering Screen: Old Age and Disability in Cinema ...

Introduction: The Silvering Screen. (pp. xi-2) In 2008 the fourth Indiana Jones movie, Kingdom of the Crystal Skull (USA, Steven Spielberg), became the second highest grossing film of the year, capitalizing on its audience 's nostalgia for a younger Harrison Ford. At the age of sixty-six, Ford insisted that explicit mention of the character Indiana Jones 's advanced age be added to the script, while also undertaking an excessive fitness regime in order to be able to perform many of his own ...

The Silvering Screen Old Age And Disability In Cinema PDF

The first-ever sustained discussion of old age in cinema, The Silvering Screen brings together theories from disability studies, critical gerontology, and cultural studies, to examine how the film industry has linked old age with physical and mental disability. Sally Chivers further examines Hollywood's mixed messages - the applauding of actors who portray the debilitating side of aging, while promoting a culture of youth - as well as the gendering of old age on film.
