A thought provoking book, which challenges views on cutting down the rainforest. The story follows a child in the Yanonomami tribe through her experiences in the rainforest. The book describes the rainforest a beautiful place full of healing power. It goes on to the arrival of the ' white man ' who initially are described in a negative manner.

Weaving first-person narrative with anthropological and ethnobotanical information, Rainforest Medicine aims to preserve both the record and ongoing reality of ayahuasca's unique tradition and, of course, the priceless forest that gave birth to these sacred vines. Featuring words from Amazonian shamans--the living torchbearers of these sophisticated spiritual practices--the book stands as testimony to this sacred plant medicine's power in shaping and healing individuals, communities, and ...
