Less is more for them because they are able to live life without feeling trapped by emotions of the past. 2. The power of summary. We are almost forced to accept that less is more in our social media lives these days. They say the hardest part of journal writing isn't necessarily reaching the word count, but trying to stay under it.

### 5 Reasons Why Less Is More - Change your thoughts

The phrases "Work smarter, not harder," "Less is more," and "Simplicity key" plague our lives in every aspect, yet no one seems to really apply them. Is there any truth to these notions? Today's society is all about absorbing information constantly, whether it be consciously or unconsciously, and attempting to remember it all.

: There is a saying "Less is more" which means that when something is understated or done in a low-key manner, it's much more effective than if it were done with a lot of fanfare and exaggeration. When the speaker says "Less is not more", he is saying that in animation, one cannot afford to be understated and must exaggerate.

### Less is not more, more is more - phrase meaning and origin

The Concept of Less is More. The concept of less is more is based on the value of simplicity and that by having less, you can actually create a life of more. You can still feel secure and happy with less, because you are gaining so much more value in your life.

### 17 Reasons Why Less is More — Minimalism Made Simple

Find out here why less is more. The world we're living in is plastered with advertisements. Almost everywhere we go, we're greeted by advertisements. Wherever we place our attention, there's an ad trying to create artificial needs for (more or less) dull things we don't even need in the first place.

Less is more is very popular in nearly every architectural school of the world, but there's also the quote Less is a Bore – even if it is not very famous, I believe that it is equally important. The first one, of course, is by Mies Van Der Rohe, while Less is a bore is by Robert Venturi. In this post we will briefly introduce the thoery behind these sentences and theirs creators – in the conviction that it isn't right to focus all the attention to Less is More.

And we want more of them, so we steer clear of telling the really important stories, and sharing some of the really important context, sacrificing engagement with the breadth and depth of what the charity really does in pursuit of more donors. More donors that know less about what your charity does, why, and how. Less about the challenges it faces.

### When less is more - 101 Fundraising

One of his prescriptions for dealing with persistent unemployment is to encourage people to live more simply, work less, save more, retire earlier, and enjoy life. Yes, the conversation on capitalism is changing and, without a doubt, middle-class travails will be at the forefront of the country's 2016 presidential campaign.
