The FZS1000 Fazer was launched in 2001 and discontinued just four years later at the end of 2005 when it was replaced by the (fairly maligned) FZ1 Fazer model. As such it didn ' t receive any major overhauls, however a black-engined S version arrived in 2003 alongside updated clocks and in 2005 a black frame signified the addition of a revised catalytic converted to allow it to pass stricter emissions regulations.
